Department Summary

At Gen Mobile, we reimagine connectivity for all of our customers, delivering high-quality, low-cost wireless services to an underserved market segment. Together with Boost Mobile, the fifth-largest mobile provider in the US, and DISH Network with its first-of-its-kind cloud-native 5G network, we will upend the retail wireless market and create groundbreaking new experiences for all.

At Gen Mobile, we deliver value without compromise, continually redefining
